How It Works

- Complete Group Sales form (Page 2) and submit to NCRA per instructions listed on form.
- Include a list of participants (Page 3) and their email addresses with the Group Sales Form.
- Once NCRA receives and processes the order, the Primary Coordinator will send instructions to forward to each participant.
- Two to three days prior to each live event, each participant will receive an email with a link to register with GoToWebinar. Participants will need this link to access the live events.
- Official participants listed on Page 3 will have the webinar activities (quiz and details to claim CEs) loaded directory into their “Learning Activities” on the Center for Cancer Registry Education. An enrolment code will no longer be needed to load activities.
- Participants will have access to the presentation recordings via NCRA’s Center for Cancer Registry Education (CCRE) through December 31, 2024.
