

How to Access Presentations

-Once you have enrolled in the activity, it will automatically load into your *Enrollments* on the *My Learning Activities* page on NCRA's Center for Cancer Registry Education (CCRE) – www.cancerregistryeducation.org.

- Login to the CCRE
- Click on My Learning Activities tab on menu bar

- Locate the activity under the header labeled *Enrollments*.

What is "My Learning Activities"?

All purchased learning activities will be automatically loaded under one of three headings on the *My Learning Activities* page: *Enrollments*, *LIVE Webinars*, or *Subscriptions*. Learning modules, JRM quizzes, and online courses will be listed under *Enrollments*. Live webinars (excluding the purchase of a series) will be listed under *LIVE Webinars*. Subscriptions and live webinar series will be listed under *Subscriptions*.

The *My Learning Activities* section of the CCRE allows learners to store and manage all the education they purchased in one place. Once activities have been successfully completed, learners may access the completion certificates for each activity at any time. They will also have access to their CCRE transcript when it comes time to submit their continuing education. This would be listed under the individual's account information.

Questions or issues? Please see [FAQs](#) or contact CCRE@ncra-usa.org.

To access your transcript and print copies of certificates view your [Account](#).

Reminder: All learning activities have a "close date" (or expiration date). Please take note of this date and be sure to complete all sections of the learning activity before it closes. Extensions will not be granted for learning activities that have closed.

A screenshot of the 'My Learning Activities' page showing three tabs: 'Enrollments', 'Subscriptions/Group Series', and 'LIVE Webinars'. The 'Enrollments' tab is highlighted with an orange circle, and a black arrow points to it from the left.
